

Login Page

Description: The login page with two authentication options. "University Login" uses Active Directory for students and staff to log in with their existing university credentials. "External Login" is for external evaluators who do not have university accounts.

The image shows a login page for PostGradTrack. At the top is the PostGradTrack logo, which consists of a blue graduation cap icon followed by the text "PostGradTrack" in a bold, sans-serif font. Below the logo are two tabs: "UNIVERSITY LOGIN" (highlighted in dark blue) and "EXTERNAL LOGIN" (in light gray). Under the "UNIVERSITY LOGIN" tab, there are two input fields. The first is labeled "Username" and contains the text "university\username" with a small person icon on the left. The second is labeled "Password" and contains a series of dots, with a lock icon on the left and an eye icon on the right. Below these fields is a checkbox labeled "Remember me". A large dark blue button with the text "Login with University Credentials" is positioned below the checkbox. To the right of this button is a link that says "Forgot Password?". At the bottom of the form is a light blue box containing an information icon and the text "Use your existing university username and password". Finally, at the very bottom of the page, it says "Powered by University Active Directory".

 Login as ADMINISTRATOR

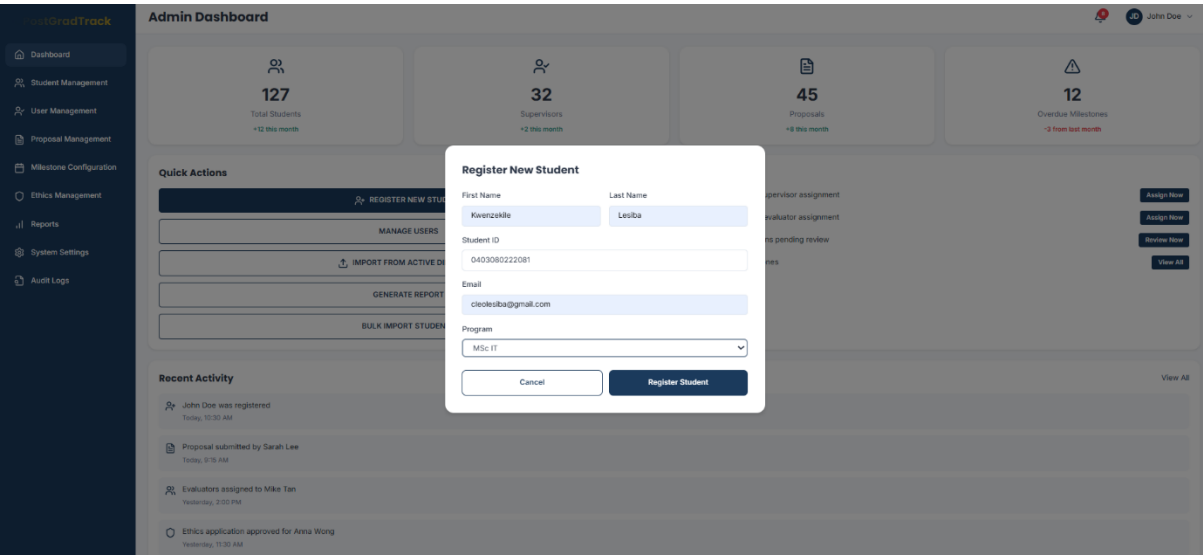

Admin Dashboard

Description: The administrator dashboard displaying key metrics (students, supervisors, proposals, overdue items), quick action buttons for common tasks, pending tasks requiring attention, and a recent activity timeline.

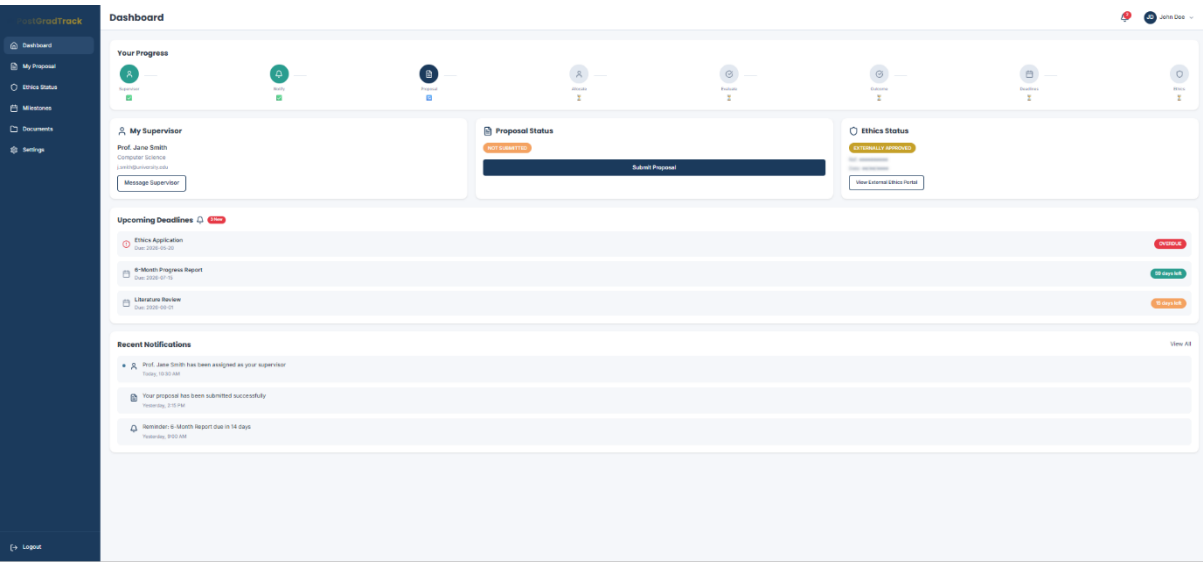

Admin - Register Student Page

Description: The student registration form where administrators enter personal, contact, and academic information for new postgraduate students. Upon submission, the system automatically creates milestone templates based on the selected program.

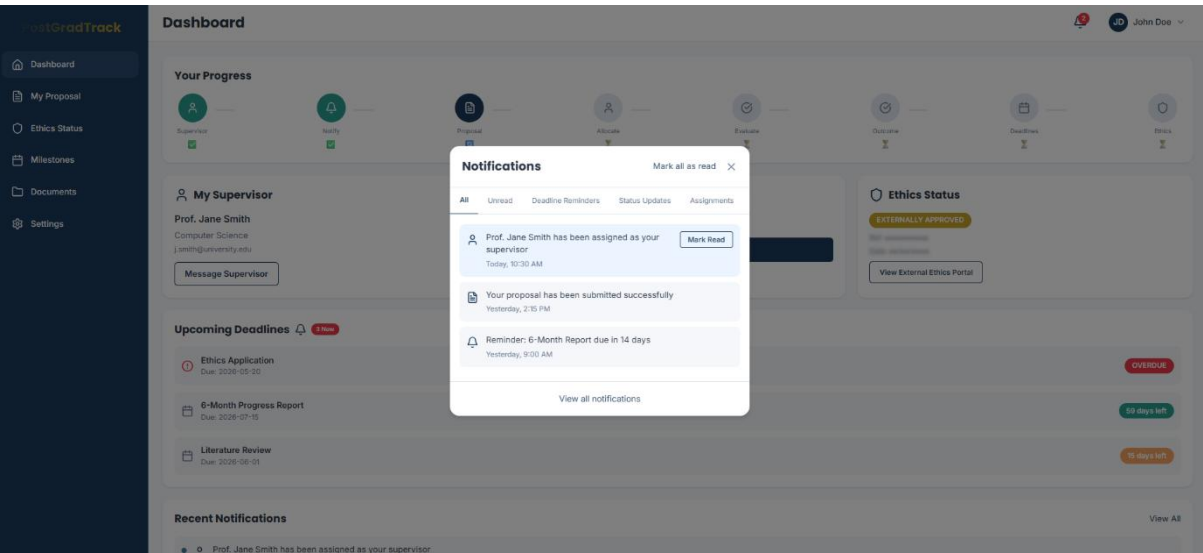

Student Dashboard

Description: The main student dashboard showing an 8-step workflow progress tracker, supervisor details, proposal submission status, ethics status (with blurred confidential information), upcoming deadlines with color-coded urgency, and recent notifications.

Student Dashboard - Notification Center

Description: The notification center modal showing all user notifications organized by tabs (All, Unread, Deadline Reminders, Status Updates, Assignments). Notifications are clickable and link to relevant pages.

Student Submits Proposal

Submit Proposal page with form filled out

- Proposal title field filled

- Abstract field with text
- File uploaded (PDF icon showing)
- Checkbox checked
- "Submit Proposal" button

ASSIGN EVALUATORS

Supervisor - Assign Evaluators Modal

Description: The modal used by supervisors to assign evaluators to submitted proposals. It shows evaluator workload, expertise, and allows setting a review due date before sending automated notifications.

Evaluator Dashboard

Description: The evaluator dashboard showing assigned proposals with due dates, download options, and start review buttons. It also displays a history of completed reviews with outcomes.

Rubric Review Page

Description: The rubric evaluation form where evaluators assess proposals across four weighted sections: Research Quality (40%), Originality & Contribution (30%),

Presentation & Structure (20%), and Ethics Consideration (10%). Each criterion uses a 5-star rating system

The screenshot displays the 'EvalGridTrack' Evaluator Dashboard. A modal window titled 'Review Proposal' is open, showing details for a proposal by John Doe (MSc IT). The modal includes a 5-star overall rating system, dropdown menus for 'Research Quality' and 'Methodology', a text area for 'Comments & Feedback', and radio button options for 'Recommendation' (Approve, Approve with Minor Revisions, Revisions Required, Reject). Buttons for 'Save Draft' and 'Submit Review' are at the bottom of the modal. The background dashboard shows sections for 'Assigned Proposals' and 'Completed Reviews'.
